Dear Parents,

Welcome to week 6, of term 3. The weeks are blending into each other especially in relation to week 5 being hump week and now we are on the down turn towards the end of term and yet, there is so much still to be done. I greatly appreciate your support in whatever happens in the school and look forward to this continuing.

Our annual fundraising activity for the year is almost upon us. The school each year runs an "athon" event that involves sponsoring for various activities. This year each grade have developed various activities to engage and have fun with. Late last week sponsoring forms were sent home which outlined the prizes that are attached to various sums of money sponsored. As this is our only direct fundraising for the year we would greatly appreciate your support. All funding that is collected is directly returned back to your child in a variety of ways, eg purchase of specific arts supplies, home reading books for 2015 and classroom games and activities for individuals. Your support will enable us to provide the quality education that we are well recognised for in the community and afar.

Huge congratulations to our Green Valley representatives who are a part of this year’s Area Athletics Carnival. I managed to speak to a number of students over the last few days who were excited about attending and they were so happy about their individual achievement. I wish the team the very best and reminded them to do their best and have fun!

Our Annual Liverpool Music Festival to be held at the Mountie Club at Mount Pritchard is around the corner. The Festival runs over three nights with students from our school performing on all three nights. It will be great to see all the parents there in support of their child in either the choir or a dance team. I will see you there and look forward to the production of which each and every child involved has given 100%. Well done!

A reminder to parents that we are still taking enrolments for Kindergarten 2015. Please ensure that you come prepared with the appropriate paperwork to complete the enrolment. The office is open from 9.00am to 2.00pm each and every day for enrolments.

Have a great week!!

Challenge-a-thon Information

Dear Parents/Carers

Our Annual Challenge-a-thon will be held on Wednesday 3rd September, 2014. We are fundraising to purchase technology and resources that will support teaching and learning throughout the school. We hope that you can support your child/children and the school through donations and/or sponsorship of the Challenge-a-thon. Please make sure that your child has parental/carers approval before seeking sponsorship or donations.

To complete the Challenge-a-thon K-2 and Support Unit students will need to finish 3 indoor and 3 outdoor challenges within a given time. 3-6 students will need to complete 5 indoor and 5 outdoor challenges. Each grade will have a different set of challenges. Sponsorship forms were sent home in week 5. Sponsorship forms can be brought in on the day of the Challenge-a-thon so they can be signed by teachers. Please return all sponsorship money after the Challenge-a-thon has been completed.

All money has to be returned by Wednesday 10th September, so that children can be included in the raffle. Students will receive raffle tickets according to the amount of money that they have raised. Their name will go into a draw and they will have a chance to win a variety of great prizes. Prizes will be drawn in Week 9.

On behalf of the school we would like to thank you for your continued support of our students and their learning.
