A Message from Mr McKay

Dear Parent

Welcome to week 2 of term 1 2016. The excitement on the children's faces on day one last Thursday really indicates that they were happy to be back and to catch up with their friends and their teachers. I am sure from you as a parent you were more than happy to see the start of the new school year.

I am very pleased to say that our class plans for 2016 have been set. According to the numbers of children in the school we have managed to establish and maintain the structure. Please ensure that you take the time to meet your child's teacher at some stage over the next few weeks.

I am also pleased to inform parents that we have a number of new permanent teachers in the school. Please welcome Ms Tolhurst, Ms Davies Bobbin, Mrs Livingston, Ms Medcalf, Ms Redman and Ms Daniel. I would also like to acknowledge a number of returning temporary staff for 2016. I am sure that 2016 will be a great year!!!

A reminder to all parents that book packs and equipment lists for the classroom 2016, will be coming out soon! Please ensure that your child has the necessary equipment and books ready for the start of week 5 of this term.

The school has a strict uniform policy which needs to be adhered to at all times. By wearing the school uniform children develop a sense of belonging and their self-esteem increases. Please ensure each and every day that your child comes to school wearing the proper school uniform.

Have a great week!!

Daryl McKay

Annual School Swimming Carnival

The school swimming carnival will be held on Wednesday of Week 3. All students in years 3-6 are expected to attend. Students who are turning 8 in Year 2 and who can competently swim 50m of the pool are also welcome to attend. Notes for this activity were distributed on Monday and will need to be returned by Friday this week.

Students are expected to wear their sport colours or sport uniform. They will not be able to have a lunch order from the canteen and should bring their own lunch from home.

We will not be holding finals on the day. The best times will be taken and the top 3 will receive ribbons. In the events where students are in the category or juniors and seniors, they are racing against multiple age groups. For example, juniors are made up of 8, 9 and 10 year olds. Even though the students may swim against 8 year olds, the data from all of the races is compiled and the top three will only receive ribbons. The ribbons will be handed out at the various assemblies at the end of Week 3.

If you have any questions please see your child’s class teacher or Miss van Vliet.
